✓ "A ROMANCE OF RAILS AND POWER". ✓

With Virginia Valli.

Released Through General Film Company.

Screen time 15 minutes.

An Essanay leading actress takes an interesting part in this scenic. Virginia Valli appears in a story woven around the electrification of railroads. This picture reveals how the eastern railroads are employing the use of electric locomotive power and how in many ways it proves more efficient and cleanly than the steam mode of propulsion. You will also see some of the scenes along the railroads.
